Dear Sabine,

We are emailing today with the announcement of our *Circle Quarterly Art Review Magazine Contest* results. With over 450 participating artists in our magazine contest, who submitted artwork in a variety of discipline, media and style, selecting only a small portion of the images was not a simple task. The magazine will be released right around Christmas and you will be able to read it on our website.

Although you have not been selected for publication in the magazine, your work "ABU" really stood out to me and you are selected for an Artistic Excellence Award. I will keep your work in mind for some new and exciting publication projects that are coming up in 2024 and I hope we can featured your work in a magazine or our online gallery soon.

Thank you for your participation in this project and for showing us your artwork.

Please email us back here to request your Artistic Excellence Certificate.

Wishes for a creative afternoon,
Myrina Tunberg Georgiou
CFA Director
